OHIO CASINO CONTROL COMMISSION

Sports Gaming Stakeholders,

The Commission is providing an opportunity for stakeholder comment on **DRAFT** applications as part of its commitment to solicit feedback on matters concerning sports gaming implementation. Applications will be provided as they are developed. Currently, the Commission is seeking comment on two applications:

- [Type-A & -B Sports Gaming Proprietor Application](#); and
- [Mobile Management Services Provider and Management Services Provider Application](#)

These are the only two applications the Commission is accepting comment on at this time. The Commission will continue to reach out as additional applications are developed.

If after reading and reviewing these applications you would like to provide written comments, please email them to rulecomments@casinocontrol.ohio.gov by **May 6 at 5:00 PM**.

Please feel free to forward this communication to anyone else you think may be interested in the Commission's sports gaming implementation efforts. Additionally, anyone may sign up for the Commission's sports-gaming listserv themselves [here](#). If you would like to unsubscribe from this listserv, you may do so using the link located at the bottom of this email.
