H.B. No. 1942

A BILL TO BE ENTITLED

AN ACT

1
2 relating to the regulation of sports wagering; requiring
3 occupational permits; authorizing fees; imposing a tax;
4 decriminalizing wagering on certain sports events; creating
5 criminal offenses; providing administrative penalties.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

7 SECTION 1. The Legislature finds the following:

8 (1) consistent with a 2018 United States Supreme Court
9 decision authorizing states to exercise their lawful prerogative to
10 license and regulate sports wagering activity, it is in the
11 interest of this state to authorize a strict regulatory model for
12 sports wagering;

13 (2) a legal, regulated sports wagering market will
14 help to deter unlawful sports wagering and provide for more
15 regulatory and law enforcement oversight over sports wagering,
16 while generating state revenue;

17 (3) any sports wagering enforcement and regulatory
18 structure must begin from the bedrock premise that participation in
19 a lawful and licensed sports wagering industry is a privilege and
20 not a right and that strict regulatory oversight is intended to
21 safeguard the integrity of wagering on sporting events and to
22 ensure accountability and the public trust;

23 (4) the most expeditious way to legalize sports
24 wagering in this state and to strictly regulate this activity is to

1 utilize the resources of the Texas Lottery Commission; and

2 (5) sports wagering within this state will be vested
3 in operators acting under authority of state law and will promote
4 trust and integrity in all sports wagering operations.

5 SECTION 2. Subtitle A, Title 13, Occupations Code, is
6 amended by adding Chapter 2005 to read as follows:

26 wagering in this state.

27 Sec. 2005.053. ADMINISTRATION AND ENFORCEMENT. The

1 executive director under direction of the commission shall
2 administer and enforce this chapter.

3 Sec. 2005.054. CERTIFICATION OF REVENUES AND EXPENSES. The
4 commission shall:

5 (1) each month certify to the comptroller in the form
6 and manner required by the comptroller a full and complete
7 statement of sports wagering revenue and expenses for the preceding
8 month; and

15 of all revenue due to this state, the commission and the comptroller
16 each independently shall have the right to audit the books and
17 records of interactive sports wagering operators and service
18 providers that are related to sports wagering activities authorized
19 under this chapter. The commission and comptroller shall
20 coordinate to ensure audits are not duplicative or overly
21 burdensome on the operators or providers.

22 (b) The comptroller may conduct an audit of any taxes or
23 fees imposed under this chapter in the same manner the comptroller
24 conducts an audit of taxes imposed under Title 2, Tax Code.

25 Sec. 2005.056. VOLUNTARY EXCLUSION PROGRAM. (a) The
26 commission by rule shall establish, implement, and administer a
27 voluntary exclusion program.

1 (b) The rules adopted under this section must require:

2 (1) the commission to establish and administer a
3 statewide self-exclusion list that allows an individual to register
4 on the commission's public Internet website for self-exclusion for
5 the period specified in the exclusion registration agreement and
6 requires the commission to regularly distribute the list to each
7 interactive sports wagering operator;

8 (2) each interactive sports wagering operator to
9 provide information on the procedures for individuals to request to
10 be added to the commission's self-exclusion list and for operators
11 to bar individuals on the self-exclusion list from any further
12 participation in sports wagering for the period the individuals are
13 included on the list;

14 (3) except as otherwise provided by commission rule,
15 an individual who participates in the voluntary exclusion program

25 on its behalf to make reasonable efforts to cease all direct
26 marketing efforts to individuals participating in the voluntary
27 exclusion program.

1 (c) An individual's registration under the voluntary
2 exclusion program does not prevent a permit holder and its agents
3 and others operating on their behalf from seeking payment of a debt
4 accrued by the individual before the individual entered the
5 program.

6 Sec. 2005.057. RISK MANAGEMENT. (a) The commission shall
7 adopt rules allowing interactive sports wagering operators and
8 their service providers to use systems that offset loss or manage
9 risk in the operation of sports wagering under this chapter,
10 including through liquidity pools, exchanges, or similar
11 mechanisms in other approved jurisdictions in which the interactive
12 sports wagering operator, service provider, affiliate of either, or
13 other third party also holds an equivalent permit or license.

14 (b) Notwithstanding Subsection (a), the rules adopted under
15 this section must require that adequate protections be maintained
16 at all times to ensure sufficient funds are available to pay all
17 sports wagering players.

18 Sec. 2005.058. PLACES OF PUBLIC ACCOMMODATION. The
19 commission may not authorize or allow a person to:

20 (1) operate or to allow the operation of a place of

23 made available for the primary use of accessing a sports wagering
24 platform; or

25 (2) otherwise advertise to the general public that the
26 place of public accommodation, club, or similar establishment is
27 available to engage in sports wagering.

1 Sec. 2005.059. AUTHORITY TO SUSPEND WAGERING. The
2 commission, as necessary to protect the integrity of a competition
3 or its participants or as described in Section 2005.060, may
4 suspend wagering on any competition, category or type of
5 competition, or other aspect of a competition.

6 Sec. 2005.060. LIMITATIONS ON CERTAIN SPORTS WAGERING FOR
7 GOOD CAUSE. (a) If a sports governing body believes that the type,
8 form, or category of sports wagering on that sports governing
9 body's sporting events has the potential to undermine the integrity
10 or perceived integrity of the sports governing body or its sporting
11 events, the sports governing body may submit to the commission a
12 written request to restrict, limit, or exclude a certain type,
13 form, or category of sports wagering for that sports governing
14 body's sporting events. The sports governing body shall provide the
15 request in the form and manner prescribed by commission rule.

16 (b) The commission shall request comment from interactive
17 sports wagering operators on each request described by Subsection
18 (a) before granting the request.

19 (c) After giving due consideration to all comments received
20 under Subsection (b), the commission shall, on a demonstration of
21 good cause from the requestor that the type, form, or category of
22 sports wagering is likely to undermine the perceived integrity or
23 the integrity of the sports governing body or its sporting events,
24 grant the request.

25 (d) The commission shall:

26 (1) if feasible, respond to a request under Subsection
27 (a) concerning a particular event before the event begins; or

1 (2) if not feasible, respond not later than the
2 seventh day after the date the request is submitted.

3 (e) If the commission determines the requestor who
4 submitted a request under Subsection (a) is likely to prevail in
5 successfully demonstrating good cause for its request, the
6 commission may provisionally grant the request until the commission
7 issues a final determination on whether the requestor has
8 demonstrated good cause. Absent a provisional grant by the
9 commission, an interactive sports wagering operator may continue to
10 offer sports wagering on sporting events that are the subject of a
11 request under this section during the commission's consideration of
12 the request.

13 Sec. 2005.061. MONITORING PROGRAM. The commission by rule
14 shall adopt and administer a monitoring program sufficient to
15 protect the integrity of all sports wagering regulated under this
16 chapter. The program must provide for the sharing of suspicious
17 activities on wagering with operators and regulators in other
18 states.

7 (c) The commission may issue an interactive sports wagering
8 permit to an authorized sports entity that is a sports entity
9 designee only if the designee is based in the United States.

10 (d) The commission shall prescribe an application form for

15 (b) The commission may accept a license, permit, or any
16 other authorization to operate sports wagering issued by another
17 jurisdiction that the commission specifically determines has
18 similar permitting requirements as evidence that the applicant
19 meets the interactive sports wagering operator requirements. The
20 commission may accept another jurisdiction's or an approved third
21 party's testing of the interactive sports wagering platform as
22 evidence that the platform meets any requirements mandated by
23 commission rule.

24 (c) The commission shall grant a permit to an applicant for

2 Subsection (b), a permit issued under this chapter expires on the
3 third anniversary of the date of issuance.

6 this chapter expires on the earlier of:

14 who places a wager;

13 competition subject to sports wagering under this chapter for the
14 sports governing body, authorizing league, or similar sponsoring
15 organization with which the individual is employed or otherwise
16 affiliated.

17 (d) An interactive sports wagering operator and, as
18 applicable, the operator's service providers may not accept a
19 sports wager from an individual described by Subsection (c)(5) or
20 (6) if the interactive sports wagering operator or, as applicable,
21 the operator's service provider, has notice or actual knowledge
22 that the individual is prohibited from placing a sports wager under
23 those subsections.

24 (e) An interactive sports wagering account must:

22 (f) The interactive sports wagering operator may allow for
23 the establishment, verification, and funding of an account
24 remotely, provided the operator has in place measures sufficient to
25 remotely verify the age and identity of the player.

26 (g) An interactive sports wagering operator may suspend or
27 terminate an account:

1 (1) if the operator determines the player has provided
2 any false or misleading information in connection with the opening
3 of the account or has engaged in cheating or other unlawful conduct;

4 (2) if the player is or has been barred from placing
5 sports wagers in this state;

15 (h) On termination for any reason other than the reason
16 described in Subsection (g)(1), an interactive sports wagering

5 sports wagering operator may offer fantasy sports contests to the
6 extent those contests are authorized by law.

7 Sec. 2005.157. RISK MANAGEMENT MEASURES. An interactive
8 sports wagering operator may engage in risk management measures,
9 commonly known as layoff wagering, in the ordinary course of
10 business.

11 Sec. 2005.158. DATA SOURCES. (a) An interactive sports
12 wagering operator is not required to use official league data in
13 determining the result of a tier one sports wager.

14 (b) A sports governing body may notify the commission in
15 accordance with forms and procedures prescribed by the commission
16 of the governing body's determination that an interactive sports
17 wagering operator must use official league data to settle tier two
18 sports wagers. The commission shall notify each interactive sports
19 wagering operator of the sports governing body's notification not
20 later than the fifth day after the date the commission receives the
21 notification. If a sports governing body does not notify the
22 commission of its determination to provide official league data, an
23 operator is not required to use official league data in determining
24 the result of a tier two sports wager on a professional sports event
25 of the league governed by the sports governing body.

26 (c) Not later than the 60th day after the date the
27 commission notifies each interactive sports wagering operator as

1 required by Subsection (b), a permit holder may only use official
2 league data to determine the results of tier two sports wagers on
3 professional sports events of the league governed by the sports
4 governing body, unless:

5 (1) the sports governing body or its applicable
6 designee is unable to provide a feed, on commercially reasonable
7 terms, of official league data to determine the results of a tier
8 two sports wager, in which case an operator is not required to use
9 official league data in determining the results of tier two sports
10 wagers until the data feed becomes available on commercially
11 reasonable terms; or

12 (2) an operator demonstrates to the commission that
13 the sports governing body has not provided or offered to provide a
14 feed of official league data to the operator on commercially
15 reasonable terms.

16 (d) The commission may consider the following nonexclusive
17 factors in evaluating whether a sports governing body has provided
18 or offered to provide a feed of official league data on commercially
19 reasonable terms:

20 (1) the availability of a sports governing body's
21 official league data for tier two sports wagers from more than one
22 authorized source;

23 (2) market information, including price, terms, and
24 conditions, regarding the purchase, in this state and other states,
25 by interactive sports wagering operators of comparable data for the
26 purpose of settling sports wagers;

27 (3) the nature and quantity of the data, including the

1 quality and complexity of the process used for collecting the data;
2 and

3 (4) the extent to which sports governing bodies or
4 their designees have made data used to settle tier two sports wagers
5 available to sports wagering operators and any terms and conditions
6 relating to the use of that data.

7 (e) During any period in which the commission is determining
8 whether official league data is available on commercially
9 reasonable terms under Subsections (c) and (d), an interactive
10 sports wagering operator is not required to use official league
11 data in determining the results of any tier two sports wagers. The
12 commission shall make a determination under Subsections (c) and (d)
13 not later than the 60th day after the date an operator notifies the
14 commission that it desires to demonstrate that a sports governing
15 body has not provided or offered to provide a feed of official
16 league data to the operator on commercially reasonable terms. If
17 the commission determines that the requesting operator is likely to
18 fail in successfully making the demonstration under this
19 subsection, the commission may provisionally deny the request until
20 the commission makes a final determination as to whether the
21 requesting operator has made the demonstration.

22 Sec. 2005.159. COMMERCIAL AGREEMENTS. (a) Any sports
23 governing body may enter into a commercial agreement with an
24 interactive sports wagering operator under which the sports
25 governing body may share in the amounts wagered or revenues derived
26 from sports wagering on the sports governing body's sporting
27 events.

1 (b) A sports governing body is not required to obtain a
2 permit or other approval from the commission to lawfully accept
3 amounts or revenues described by Subsection (a).

18 against the interactive sports wagering operator in connection with
19 its operations;

20 (2) abnormal wagering activity or patterns that may
21 indicate a concern with the integrity of a sporting event;

22 (3) any potential breach of the relevant sports
23 governing body's internal rules and codes of conduct pertaining to
24 sports wagering, to the extent the operator has actual knowledge of
25 the potential breach;

26 (4) any other conduct that corrupts a wagering outcome
27 of a sporting event for purposes of financial gain, including match

1 fixing; and

2 (5) suspicious or illegal wagering activities,
3 including the use of funds derived from illegal activity, the
4 placement of wagers to conceal or launder funds derived from
5 illegal activity, the use of agents to place wagers, and the use of
6 false identification in placing wagers.

7 (b) Interactive sports wagering operators must promptly
8 report information relating to conduct described in Subsections
9 (a)(2), (3), and (4) to the relevant sports governing body.

10 Sec. 2005.204. CONFIDENTIALITY OF CERTAIN REPORTED
11 INFORMATION. (a) An interactive sports wagering operator must
12 maintain the confidentiality of information provided by a sports
13 governing body to the operator unless disclosure is required by
14 this chapter, the commission, other law, or court order.

15 (b) The commission, sports governing bodies, and
16 interactive sports wagering operators must maintain the
17 confidentiality of all information relating to conduct described in
18 Sections 2005.203(a)(2), (3), and (4) unless disclosure is required
19 by this chapter, other law, or court order, or as authorized by the
20 relevant sports governing body.

21 (c) The commission must maintain the confidentiality of all
22 information provided by sports wagering operators for compliance
23 purposes unless disclosure is required by this chapter, other law,
24 or court order.

25 (d) The commission and an interactive sports wagering
26 operator may disclose confidential information to another
27 interactive sports wagering operator, a sports governing body, a

1 sports wagering regulating entity, a law enforcement entity, or
2 other party for the purpose of preventing or investigating conduct
3 that corrupts or could corrupt the outcome of a sporting event,
4 including match fixing.

10 REVENUE; LOSS CARRYFORWARD. (a) For purposes of the tax imposed
11 under this subchapter, an interactive sports wagering operator
12 shall compute the operator's adjusted gross wagering revenue for a
13 reporting period by determining the total amount of wagering
14 revenue the operator received from all sports wagers authorized
15 under this chapter, excluding wagers placed using free bets or

17 following for the period:

18 (1) all cash or cash equivalents the operator paid as

7 showing that a greater percentage is reasonable and warranted.

8 (c) An interactive sports wagering operator that has an
9 adjusted gross wagering revenue for a reporting period computed
10 under Subsection (a) that is less than zero may carry that amount
11 forward and deduct the amount from the operator's adjusted gross

13 receivables during the reporting period as determined under Section
14 2005.252;

16 sports wagers the person remitted to the federal government during
17 the reporting period; and
