

IDEA Priority States in Legislative Phase 2022

State	Current Status	Key Dates	IDEA Engagement / Opportunities
ILLINOIS <i>(iGaming + Sports Amendments)</i>	<p>Our iDEA state lobbyist provided a comprehensive update on the Sep. 30 member call regarding the supplier licensing fix bill (SB 2973) and the potential for iGaming in 2023. A recording of the call can be found on the Member Portal.</p> <p>In summary:</p> <ul style="list-style-type: none"> • iDEA’s Senate passed bill related to correcting the supplier licensing fee could be considered during the veto session (November). • Recent revenue reports from the state show strong tax dollars raised from sports wagering, this will help neutralize arguments that the high license fee is needed to meet budgetary estimates. • Continued outreach to IL stakeholders on iGaming. VGTs have said they will not support any iGaming legislation in 2023. 	<p>Nov. 29-Dec. 1 -- veto session</p> <p>Jan. 4-8 – lame duck session</p> <p>Jan. 9 – new legislature sworn in</p>	<p>In October, we sent a letter to Gov. Pritzker outlining why his office should support our legislation that fixes the sports wagering supplier license fee. A copy of the letter is on the Member Portal.</p> <p>The legislature is expected to have a “veto session” after the elections. During this time, we will be pushing for the supplier fix bill to be passed out of the House (it has already passed the Senate) as a stand-alone bill or as part of a larger package of gaming related bills.</p> <p>Our iDEA state lobbyist met with House Executive Chair Bob Rita (and our lead sponsor) on Nov. 15 to discuss passage of the supplier licensing fix bill (SB 2973) during the veto session. If there is a chance for passage, it may not be until the first week of January before the new legislature is sworn in. On Nov. 16, our iDEA state lobbyist also met with a representative from Gov. Pritzker’s office to discuss his office’s concern with SB 2973. Our lobbyist will be attempting to meet with another administration official within the next few weeks.</p>
INDIANA <i>(iGaming)</i>	<p>Rep. Manning is working to identify additional up to three additional co-sponsors to his iGaming bill which is currently being drafted.</p> <p>We understand that consideration is being given to language that would require that “Live dealer studios” be located within the state. This is both Sen. Ford & Manning’s preference as it will help bolster job creation arguments for iGaming.</p>	<p>Nov. 22 – Legislative organization day</p> <p>Dec. 1 – iDEA Member Summit</p> <p>Jan. 9 – new legislature sworn in</p>	<p>Our team is actively using the interim session to meet with influential lawmakers and gather support for iGaming.</p> <p>We have mapped out the likely committees of jurisdiction for an iGaming bill created a list of lawmakers who will support/oppose.</p>

		End of April – Session adjourns	Arranging meeting with Manning/Ford to discuss RG/PG components of their bill to get ahead of expected opposition to expanded iGaming.
NEW YORK <i>(iGaming)</i>	<p>Senator Addabbo (D) was re-elected and will remain chairman of the Senate gaming committee. Democrats will maintain control of both chambers, but Republicans made gains. In NY, Republican lawmakers have tended to be more favorable to gaming expansion.</p> <p>After his election Senator Addabbo told media, "First and foremost, we'll look at iGaming. That's the priority at this point."</p> <p>Senator is hoping to tie iGaming to the state's budget; however, we expect that to be difficult to achieve unless the Governor's office is 100 percent on board. Newly elected Gov. Hochul (who replaced the ousted Cuomo) has not taken a public position on iGaming.</p>	December – reintroduction of iGaming bill.	<p>John Pappas met with Senator Addabbo this fall to discuss the future prospects of iGaming.</p> <p>We are providing input on his legislation from earlier this year so it can be prepared for introduction before session which begins in January.</p>
NORTH DAKOTA <i>(iGaming + Sports)</i>	<p>The ND Governor has been negotiating an updated gaming compact with the state's tribes. On Oct. 31, iDEA sent a letter to the Governor expressing our concern with the proposed approach that would give tribes exclusive rights to online gaming via compact. The iDEA letter is on the Member Portal.</p> <p>Our letter made an impression on the Governor and his staff. On 11/02 the Governor announced a new compact agreement that removes the online exclusivity for tribes and reaffirms his commitment to work towards a legislative solution that benefits all gaming stakeholders.</p>		We will evaluate the opportunity to engage in North Dakota during 2023 to push for an iGaming bill.
TEXAS <i>(iGaming + Sports)</i>	<p>On Nov. 14, Sen. Carol Alvarado pre-filed the first TX sports betting ahead of the session that starts Jan. 10, 2023. The resolution, SJR 17, would create the Texas Gaming Commission, and authorize casino gaming and sports wagering.</p>	Jan. 10 – Start of new legislative session	iDEA will monitor the activity of the Texas legislature.

VERMONT <i>(Sports)</i>	<p>Earlier this year, the Vermont legislature approved a Sports Betting Study Committee.</p> <p>The Committee is currently meeting to discuss best practices for sports wagering. Legislation will be drafted based on these recommendations and then go through the legislative process in 2023.</p> <p>In the last few meetings, the Committee has leaned their recommendations toward a state-controlled competitive bid model, such as New Hampshire or New York.</p>	<p>11/22 – final meeting of the Sports Betting Study Committee</p> <p>Dec – report to be issued by Sports Betting Study Committee</p>	<p>IDEA is in the process of finalizing written testimony to the Sports Betting Study Committee and intends to deliver it before the Committee’s final meeting on Nov. 22. IDEA’s written testimony will focus on the importance of a competitive market, reasonable tax rates and appropriate supplier licensing.</p>
