State	Current Status	Key Dates	IDEA Engagement / Opportunities
ILLINOIS <i>(iGaming + Sports Amendments)</i>	<p>Our iDEA state lobbyist provided a comprehensive update on the Sep. 30 member call regarding the supplier renewal fee fix bill (SB 2973) and the potential for iGaming in 2023. A recording of the call can be found on the Member Portal.</p> <p>In summary:</p> <ul style="list-style-type: none"> • iDEA’s Senate-passed bill related to correcting the supplier licensing fee could be considered during the veto session (January). • Recent revenue reports from the state show strong tax dollars raised from sports wagering, this will help neutralize arguments that the high license fee is needed to meet budgetary estimates. • Continued outreach to IL stakeholders on iGaming. VGTs have said they will not support any iGaming legislation in 2023. 	<p>Jan. 4-10 – lame duck session</p> <p>Jan. 11 – new legislature sworn in</p>	<p>In October, we sent a letter to Gov. Pritzker outlining why his office should support our supplier renewal fee fix bill. A copy of the letter is on the Member Portal.</p> <p>On Nov. 16, our iDEA state lobbyist also met with a representative from Gov. Pritzker’s office to discuss his office’s concern with the bill. Our lobbyist is attempting to meet with another administration official within the next few weeks.</p> <p>Our lobbyist met with House Executive Chairman Bob Rita (and the lead sponsor of the supplier licensing fix bill) on Nov. 28 to discuss passage of the bill during the lame duck session in January. Chairman Rita does not seem inclined to move for passage of SB 2973 as a standalone bill and prefers to deal with the supplier renewal license fee in an omnibus gaming package. Our iDEA team will strategize regarding next steps this month.</p>
INDIANA <i>(iGaming)</i>	<p>Rep. Manning is working to identify additional up to three additional co-sponsors to his iGaming bill which is currently being drafted.</p> <p>We understand that consideration is being given to language that would require that “Live dealer studios” be located within the state. This is both Sen. Ford & Manning’s preference as it will help bolster job creation arguments for iGaming.</p>	<p>Jan. 9 – new legislature sworn in</p> <p>End of April – Session adjourns</p>	<p>We have mapped out the likely committees of jurisdiction for an iGaming bill created a list of lawmakers who will support/oppose.</p> <p>Arranging meeting with Manning/Ford to discuss RG/PG components of their bill to get ahead of expected opposition to expanded iGaming.</p>

<p>**NEW** MISSOURI <i>(Sports)</i></p>	<p>Two Missouri legislators recently pre-filed two separate sports betting bills for the 2023 legislative session, which begins on Jan. 4. Sen. More background and links to the bills can be found on the Member Portal.</p>	<p>Jan. 4 – start of legislative session</p>	<p>iDEA will monitor the activity of the Missouri legislature.</p>
<p>NEW YORK <i>(iGaming)</i></p>	<p>Senator Addabbo (D) was re-elected and will remain chairman of the Senate gaming committee. Democrats will maintain control of both chambers, but Republicans made gains. In NY, Republican lawmakers have tended to be more favorable to gaming expansion.</p> <p>After his election Senator Addabbo told media, "First and foremost, we'll look at iGaming. That's the priority at this point."</p> <p>Senator is hoping to tie iGaming to the state's budget; however, we expect that to be difficult to achieve unless the Governor's office is 100 percent on board. Newly elected Gov. Hochul (who replaced the ousted Cuomo) has not taken a public position on iGaming.</p> <p>On Nov. 30, Sen. Peter Harckham sponsored S9605 to amend the "racing, pari-mutuel wagering and breeding law." The proposed legislation calls for the New York State Gaming Commission (NYSGC) "to promulgate rules and regulations regarding predatory sportsbook bonuses in mobile sports betting, including but not limited to, deposit matching, risk-free betting, free money, free bets, site credits, and profit boosts." More background and a link to the bill be found on the Member Portal.</p>	<p>December – reintroduction of iGaming bill.</p>	<p>John Pappas met with Senator Addabbo this fall to discuss the future prospects of iGaming.</p> <p>We are providing input on his legislation from earlier this year so it can be prepared for introduction before session which begins in January.</p> <p>iDEA will monitor the activity of the New York legislature.</p>
<p>NORTH DAKOTA <i>(iGaming + Sports)</i></p>	<p>The ND Governor has been negotiating an updated gaming compact with the state's tribes. On Oct. 31, iDEA sent a letter to the Governor expressing our concern with the proposed approach that would give tribes exclusive rights to online gaming via compact. The iDEA letter is on the Member Portal.</p> <p>Our letter made an impression on the Governor and his staff. On Nov. 2, the Governor announced a new compact agreement that removes</p>		<p>We will evaluate the opportunity to engage in North Dakota during 2023 to push for an iGaming bill.</p>

	the online exclusivity for tribes and reaffirms his commitment to work towards a legislative solution that benefits all gaming stakeholders.		
TEXAS <i>(iGaming + Sports)</i>	On Nov. 14, Sen. Carol Alvarado pre-filed the first TX sports betting ahead of the session that starts Jan. 10, 2023. The resolution, SJR 17 , would create the Texas Gaming Commission, and authorize casino gaming and retail sports wagering only. Online sports betting legislation will be filed by Rep. Dan Huberty. VERMONT <i>(Sports)</i>	Earlier this year, the Vermont legislature approved a Sports Betting Study Committee . The Committee met throughout the fall with the goal of issuing recommendations to the legislature as it considers sports betting legislation in 2023. The Committee’s draft report was published on December 6 and can be accessed on the Member Portal . The Committee also met on December 6 to discuss the revisions to the report and will meet again on December 13 to approve a final version.
