## IDEA Priority States in Legislative Phase 2022

State	Current Status	Key Dates	IDEA Engagement / Opportunities
<b>ILLINOIS</b> <i>(iGaming + Sports Amendments)</i>	<p>On 06/17 iDEA met with the head of the Illinois Casino Association to discuss coordination of efforts on iGaming. It was a productive call and we will be following up with his team and lobbyists representing the casinos to present our plan for a Fall iGaming Fly-In.</p> <p>On 06/02 iDEA spoke with a representative from the Gov's office about concerns they raised regarding our supplier licensing fix bill.</p> <p>We articulated how the supplier fee structure in IL is out of whack with other gaming licenses in that state as well as other supplier fees throughout the country.</p> <p>The Gov's office main concern is a loss of planned revenue. They contend that the high annual license fee for supplier (\$150k) was actually intentional as a way to meet revenue projections.</p> <p>Ultimately, we may need to consider some compromise language.</p>	<p>September – planning for a 2 day session of meetings in Chicago.</p> <p>November – Veto session exact dates TBD.</p>	<p>In response the Gov's office, we are compiling information to share that highlights why this change makes sense from a policy perspective and why the impact of state revenues will be de minimis to the overall revenue being contributed from sports wagering.</p> <p>We are organizing a Chicago-area fly-in to introduce iDEA members and iGaming to key lawmakers in the region.</p>
<b>INDIANA</b> <i>(iGaming)</i>	<p>Legislature will return for a special session in July. While it is not likely that gaming issues could be addressed during this session, if the legislature seeks to address matters related to state revenues, there could be an opening for iGaming (this is low probability, but something we will be ready to pounce on).</p> <p>IN Gaming Commission is hosting a Continuing Legal Education seminar July 14/15. One of the sessions is entitled "What's ahead with iGaming," which will be presented by the IGC's General Counsel, Dennis Mullen. For more information, please see: <a href="https://icief.inreachce.com/Details/Information/EA369958-7023-460F-8223-657F0303FEB5">https://icief.inreachce.com/Details/Information/EA369958-7023-460F-8223-657F0303FEB5</a>.</p> <p>The IN Gaming Commission is also expected to release their own iGaming study which is being conducted by Spectrum Gaming.</p>	<p>July-Special Session</p> <p>July-Possible release of IGC iGaming study</p>	<p>Our team is actively using the interim session to meet with influential lawmakers and gather support for iGaming.</p> <p>We have a meeting with Senator Bray's office for 07/05. In the past, the Senator has been a major sticking point for legislation to advance.</p> <p>We will be meeting with Senator Jon Ford during the NCLGS conference.</p>

<b>MASS</b> <i>(Sports)</i>	<p>The Massachusetts Conference Committee on Sports Wagering have not formally met since their first hearing on June 09<sup>th</sup>.</p> <p>We understand that these lawmakers and leaders have been meeting on an informal basis, but that most decisions will be made in July.</p>	<p>July 2022 – next expected meeting of the conference committee on sports wagering</p> <p>July 31 – Regular session adjourns.</p>	<p>We have been following up with conferees on our letter sent 06/08 and providing additional information.</p> <p>At least two conferees are attending the NCLGS conference, and we are seeking an opportunity to meet.</p> <p>You can read a sample of the letter that was sent to all 6 members of the conference committee here: <a href="#">iDEA-Letter-to-Senator-Lesser 6.8.22.pdf (ideagrowth.org)</a></p>
<b>MISSOURI</b> <i>(Sports + iGaming)</i>	<p>The Missouri legislature will conclude its legislative session for the year on 05/13 and it is not expected that sports betting legislation will pass.</p> <p>Several attempts for compromise bills were offered, but ultimately rejected by various stakeholders. The compromises were not great for OSB and included annual licensing fees up to \$1m.</p> <p>Unfortunately, as in years past, sports betting has gotten wrapped up in the larger fight over VLT (slot machine) legalization despite assurances from key lawmakers that they would keep the issues separated.</p>	<p>5/13 – Session Adjournment</p>	<p>iDEA was active over the past two weeks to facilitate compromises that could garner the support of all stakeholders.</p> <p>Our team provided a full post-mortem and analysis of next steps for Missouri on this week’s member call. You can go to the <a href="#">Member Portal</a> and download a recording of the call.</p>
<b>NEW YORK</b> <i>(Sports + iGaming)</i>	<p>In non-policy related news, gaming champion, Senator Addabbo, has been negatively impacted by new legislative redistricting maps.</p> <p>Where he currently resides is being cut into 3 new districts, so he will need to move so that he can run in a new district without having to challenge one of his incumbent colleagues. It is likely he will run in the new District 15 where he will have a primary challenger and more significantly a credible general election challenger.</p>	<p>6/2 – Target adjournment date</p>	<p>Earlier this month, Jeff Ifrah sent a letter to Senator Addabbo on behalf of iDEA Growth member support for SB 8412. Read the letter here: <a href="#">Letter-from-J.-Ifrah-iDEA-Growth-to-Joseph-P.-Addabbo-5.6.2022.pdf (ideagrowth.org)</a></p> <p>We spoke with Senator Addabbo this week and he expressed frustration over his redistricting situation, but feels confident that he can continue his service in the Senate with the proper support.</p>

			He remains a committed ally on several issues for our industry.

## Other States iDEA is Monitoring 2022 (Legislative Phase)

State	Current Status	Key Dates	iDEA Opportunities

A copy of the final bill can be <a href="#">found here</a>.</p> <p>Companies seeking to operate in the state (including suppliers) should have received a notice and questionnaire from the KGRC to be returned before the end of the month. <b>NORTH CAROLINA</b> <i>(Sports)</i>	<p>As expected, the legislature is expected to adjourn today/tomorrow without sports wagering passing.</p>	June 30: Legislature is expected to	iDEA is engaging with lawmakers and seeking opportunities to testify or otherwise advocate for policies.

	<p>Earlier this week, after a very contentious debate, the North Carolina House wrapped up its voting on the two sports wagering bills, SB 38 and SB 688.</p> <p>The House took up SB 38 first. The bill passed on second reading by a vote of 51-50. Important to note that an amendment was included in the bill that prohibits all bets on collegiate sports.</p> <p>The House then took up SB 688. Ultimately, the bill failed/didn't pass second reading. The final vote was 49-52.</p> <p>The fact that both bills did not pass, effectively kills the sports betting effort for this year. We understand that there are some parliamentary procedures that may be used to try for one final vote between now and the end of session. However, these are long shots.</p> <p>For more detailed info, please see our post on the <a href="#">Member Portal</a>.</p>	<p>adjourn, however, if the budget is not completed the session may be extended or they will be called back for special session.</p>
